MOPAR Club of San Diego

The MOPAR Club of San Diego was founded on July 4, 1993 by a group of automobile enthusiasts who believe that, pound for pound, cubic inch for cubic inch, the MOPAR group of cars from Chrysler, Plymouth (RIP), Dodge, DeSoto (RIP) and AMC (RIP) just might be the best cars in the world; at least for the money. We are dedicated to the preservation, restoration, modification, and generally having as much fun as humanly possible with these vehicles.
