

Annual S'mores Picnic: Aug. 16

After our All-American Car Show, it will be time to celebrate our successes and our hard work.

Join your fellow club members for food, drink, laughter and friendship at our annual S'mores Picnic and BBQ on Fiesta Island, beginning at 4pm on Sunday, Aug. 16, as we celebrate all we have accomplished.

Whether you worked behind the scenes, volunteered, showed your Mopar, helped promote the show, or simply supported the club, you are welcome, and your family, too.

Bring your chair, your smile, a dish to share, your drink and your appetite.

Because the club will provide a barbecue and the s'mores makings, an RSVP is very important. Contact Sheri Hendricksen: 619-253-0524 or fineridesandfriendscarshows@yahoo.com

Fiesta Island is a great place to be on a summer's eve, and as the sun sets it will be time for the s'mores! Yum!

(For the uninitiated: A S'more is a freshly roasted marshmallow and a piece of chocolate sandwiched between two graham crackers)

Next Club Cruise: North County Aug. 20

Woody Widman has the club's next North County cruise set for Thursday, Aug. 20, beginning at 10am from Double Peak Park in San Marcos. The destination will be Wilson Creek Winery in Temecula. He says we will avoid the freeways, taking backcountry roads to the winery for lunch.

Be advised, it is likely to be quite warm in Temecula, and the winery parking lot is gravel. Expect meal prices to be \$20-\$30. But it's a beautiful and relaxing venue that does offer some shaded seating. All members welcome.

NEW! Silent Auction added to Our Aug. 8 All-American Car Show

Tony D'Agostino has been working his magic and has obtained some special items that will be offered during this year's car show via a Silent Auction, to be held at the club Information pop-up opposite the raffle area. Everyone will be invited to bid on these items, which include a "Graveyard Carz" tee signed by the cast members, a John Force race-worn pit shirt, a John Force commemorative ring and gift certificates from \$100-\$250 from YearOne, Classic Industries and Painless Wiring. Top bidders will be able to use cash, check or Venmo to pay for their winnings.

Our show will be at Seaport Village's Embarcadero North, 8am-3pm. Club volunteers will be on site beginning at 5:30am to set up and begin directing cars in at 7am. To date, we are near 200 cars, with high hopes for closer to 300 by show day. Volunteers still needed to direct cars (7-9am), judge categories (9am-11am) and more. The silent auction will need a couple of volunteers, as well.

Early arriving Mopars will be able to park on Mopar Island, the part of the grassy hill area facing Coronado and Navy ships. As a reminder, club members showing a car need to register. All these funds go to our SD military beneficiaries. To register your Mopar for the show, visit our website at www.moparclubsandiego.net and click on the show information link.
