FAQ's

Q) WHAT ABOUT VEHICLE ENTRY?

A) Our gate will open for show car admission at 8:00 am and will close at 9:00 am. **NO EARLY ENTRY FOR SHOW CARS** as the host Club needs to set up the show beginning at dawn, day of show.

- **ALL PRE-REGISTERED ENTRIES:** A traffic controller will direct you to the entry ramp near the public restrooms, then follow the directions from our Traffic Control Team to get you into the show area. Once parked, walk to our Registration Desk near the Show Raffle gazebo to pick up your show packet & the all-important dashboard form. *You must display the dash form to be eligible for a trophy.* Those wishing to park together need to enter together. Day-of-show entries will have to enter separately.
- **ALL DAY-OF-SHOW ENTRIES:** At the entry ramp you will receive a blank entry form. Proceed to the entry ramp near the public restrooms and follow the directions from our Traffic Control Team to get you into the show area. Once parked, fill out your entry form and walk it to our Registration Desk near the Show Raffle gazebo to submit your entry and pay the \$35 entry fee. You will then receive a blank dashboard form which you will fill out and display on your car's front window. *You must display the dash form to be eligible for a trophy.*
- **TRAILERS:** Trailers are not allowed onsite, per port authorities, not even to unload a show vehicle. Use a nearby public parking area (fee required) and then drive your street-legal vehicle to the show site. Unfortunately, port authorities do not allow downloading non-street legal vehicles at the show site.
