

All American Car Show Information & FAQ

The show will run from **8am to approximately 3pm**. A show schedule of events will be given to entrants as part of their drivers' packet as noted below.

*****No early departure before the show ends, by order of the SD Port District*****

VEHICLE ENTRY

Our gate will ***open for show car admission at 7:30am and will close at 9am***. NO EARLY ENTRY FOR SHOW CARS as the host club needs to set up the show beginning at dawn, day of show (If show setup is completed prior to 7am, the gate will be opened earlier). Parking is first in, first parked. ***Those wishing to park together will need to enter together.***

- **PRE-REGISTERED ENTRIES:** A traffic controller will direct you to the show registration desk near the public restrooms where you will receive your driver's packet. Follow the directions from our Traffic Control Team to get you into the show area where you will park your car. Place the placard from your driver packet in the front window of your car.
- **DAY-OF-SHOW ENTRIES:** Follow the same entrance procedure as the pre-registered entries. You will pay your \$35 entry fee at the registration desk. You will be given a blank dashboard placard to fill out and display in your car's front window. Follow the traffic controller's directions to the show area where you will park your car.
- **IF YOU ARE ACTIVE DUTY or RESERVES**, with a military ID, your car is eligible for the Armed Forces Trophy. Show your ID at registration, and you will get an ORANGE placard alerting judges to your car's eligibility for this trophy (you still will be eligible to win other trophies).
- **DRIVERS' PACKETS** will include your placard, a Top Ten ballot, raffle ticket and show schedule of events.

TRAILERS

Trailers are not allowed onsite, per SD Port authorities, not even to unload a show vehicle. Use a nearby public parking area (fee required) and then drive your street-legal vehicle to the show site. Unfortunately, SD Port authorities do not allow downloading non-street legal vehicles at the show site.

JUDGING

Judging begins at 9am. Hoods should be open. Although not a strict requirement, it is advantageous to have your trunk lid open as well. This can be the difference when judges are deciding between a couple of cars. Top Ten ballots can be dropped at the Raffle booth. All judging ends at 11am, with trophy presentation expected to begin in the 1:30-2pm time frame. *You must display the dashboard placard to be eligible for a trophy.*

NOTE: Mopar Club SD members' cars are not eligible for judged trophies. They are, however, eligible for a designated club trophy (as selected by a non-Mopar Club SD person) and for People's Choice awards.
