AACS — Once All the Dust Settled

By: Milton Karahadian
MCSD President

Once again, we did an excellent job putting on what I believe is the best car show in the county. But to me, it's so much more than that.

I love teamwork, the organization, the planning, and everyone doing their part for a common cause: supporting our military families.

But it was more than that. We were serving our peers and offering hospitality to our guests. And it was more than that, still—we served each other, helping one another be successful and making sure club members had what they needed to do their part.

Once the dust had settled, everyone was parked, the vendors had taken their places, the raffles were underway, and the judges had been deployed, I took a walk around the venue.

The sun was shining above us, lighting up the cars as their engines glistened in the morning light. I saw people sitting under canopies with friends, and un-

known guests walking through the cars, enjoying the sights. I saw the towering buildings against the water and the icons of our car culture standing proudly beneath and beside them.

Then, as I made my way around the sidewalk, I saw the majestic battleships standing in their places and thinking about the men and women who have made this day happen for me. I felt a lump in my throat. I became emotional thinking about where we are, who we are, and what we have created together as a club.

I sometimes struggle to appreciate the quality of life we enjoy. Like many of you, I've traveled to different parts of the world where life would be far less desirable. I've said many times that, apart from affordability, San Diego is in the top 2–5% of cities in the world for overall quality of life.

Every now and again, we need to stop and step back for a moment and think about that.

As I rounded another corner, heading toward "Mopar Island" and looking west,

I was so proud of the cars representing the brand I love so much, a brand that runs deep in my family's soul. And in that moment, I was reminded of something else: we are a strong club, and we can do good work together.

So, as the dust settles on this experience, regardless of how much money we raised, we have done our best.

And really, that is all that matters.

Because we were true to ourselves, true to our club, and true to those we came together to serve.

Thank you to every one of you who volunteered.

From those who were there at 5am in the morning, rustling the bushes, to those who stayed until 4pm or later for the infamous "Trash Truck" picture (below), you all need to be proud.

Be proud of a club that knows how to do good work together.

And more importantly, be proud of a club that knows why we do it.

MCSD's S'mores BBQ & Picnic on Fiesta Island August 16

White wispy clouds and the setting sun created a glorious display for the 20-plus club members who celebrated our completed All-American Car Show 2026 with hotdogs, burgers, fruit salads, watermelon, chips, cookies and, of course, those wonderfully gooey and delicious s'mores – marshmallows roasted over the open fire and then tucked, along with a piece of Hershey's chocolate, between two graham crackers. YUM! Let's have some more s'mores!

With no takers, the August North County club cruise from San Marcos to Temecula and to the Wilson Winery was canceled, so Woody and some of his regular North County cruisers took a run to Oceanside and wowed the beach crowd.

MEMBER Doings

Another Mopar for the movies/TV

Former longtime club member Bert Luna reports his and his wife Renee's '66 Valiant is to be featured in a coming new-age movie in 1969 Texas, during a time of a lot of upheaval. Bert, who now lives in Fredricksburg, TX, said: "Movie people reached out to our car club for cars for the movie, pre-1969. Guess what, the Valiant will be in the movie."

Movie promos say the film is based on "a true story about a start-up prep school that is hemorrhaging students. To counter its losses, a battle-scarred Marine is recruited to unite the worst of the rebels through football. Few are prepared for the Colonel."

In 2016, Tim Williams produced "*The Colonel*," an award-winning short film (18 min), a sports drama at the height of the Vietnam War....Now it is poised to become a full-length feature film of the same name, with the Lunas' Valiant included.

Bert joins other club members who have had Mopars featured in movies or television series, including Bob Gough's '67 Barracuda and daughter Liza's Valiant (now Kay Signorelli's) in the "*Almost Famous*" movie, directed by Cameron Crowe. George Bittle also had at least one Mopar in that movie. Steve VanderSchaaf owned the Rallye Red 1970 Challenger RT convertible featured in one season of TV's "*The Mod Squad*" as youth cop Pete's car and in an episode of the one-season-only TV show, "*The Immortal*."

Bob shared with Bert that he and Liza both made \$2k over 10 days of shooting, plus lunch every day. Director Crowe wanted Bob's car for a particular scene, but it was too shiny. "To dull the car, they misted it with milk. When it dried, it looked dull & dusty. I was assured it came off with Meguiers' spray, and it did. So don't be surprised if your car gets the same treatment."

Four-Score!

Sheri Hendrickson's grandson, Maddox, above left, with the ball, made a name for himself as a baseball pitcher this past summer and is now scoring touchdowns for his Pop Warner team, including four in one game!

Kathy Silcott's cross country trip, in her Hellcat Redeye (above left) has included a visit to the Circuit of the Americas racetrack in Austin, TX, where she exchanged Hellcat stories with another Hellcat owner and buddies, above

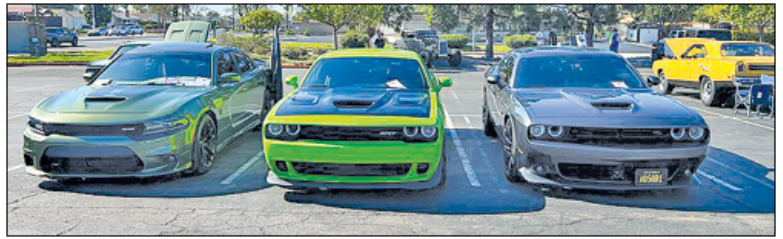

In Laurel, Mississippi, Kathy took a photo of the reflection of her Hellcat in the window of a shop that features a poster of Erin Napier, of HGTV's *Home Town* series. Erin and Ben Napier have put Laurel on the map with their historic renovations of homes, businesses and civic sites

Kathy Silcott began her summer travels with a midwest visit to family. Now she's on a cross country trip in her 2022 Challenger Hellcat, to the Florida Keys and back

MCSD Cars and Coffee: July 25 & August 22

Our monthly Cars & Coffee is bringing in more and more vehicles, reports Sheri Hendrickson. These continue the 4th Saturday of each month, and our next Cars & Coffee will be Sept. 26, 7-10am in the Pathways Church parking lot. Immediately following that will be the club's annual Santee Lakes Picnic. Members are encouraged to attend both, but the picnic is a potluck needs an RSVP. Reduced-price entry to the Santee Lakes for those who sign up with Sheri before she runs out of that lower-price option. Contact her at fineridesandfriendscarshows@yahoo.com or call 619-253-0524.
