

## Club Members Only Family Picnic

We are going to have a Club Members Only Family Potluck Picnic at Santee Lakes on **Oct.19th from 9am-1:30pm** This can be our End of Summer Gathering... and if you choose to stay until they close you can!

They do have rules about gathering and parking cars together. So with that being said it would be GREATLY APPRECIATED if you could please RSVP, ASAP with how many people will be in your car? Family First & Last name To make the Reservation PLEASE, then it will help me to plan accordingly, so we can have the BEST time together with no problems from the Park Rangers.

There is a lot of things for people to do! Bike riding if you have those to bring, Fishing, Pedal Boats, SprayGround water fun area, etc. you can fish with all your equipment from a pier or the waters edge.

Fees for the day \$6 that is a deal per car, includes a \$1 discount. Please remember a potluck dish. And if you have something particular that you can bring you can add that with your RSVP, so we don't get a bunch of one thing. I will have a sheet at the meeting as well to sign up on food etc...

Other fee's if you want to partake are:

- Fishing Permit \$10 Adults \$6 Juniors & Seniors Paid at the entry gate.
- SprayGround \$5 per wristband

A great way to see the Park is a spin around Lake 5 in a pedal boat! Pedal boats are open 10:00AM – 4:00PM daily. Standard pedal boat rentals are \$17 per half-hour. Ducky, Swan & Dragon pedal boat rentals are \$24 per half-hour.

Everyone must wear a life vest. In order to ride, the passengers must be at least 1 year old or over 20 pounds. Minimum age to rent is 18. There must be at least one passenger that is 18 years of age or older

This is a Map of the Lakes. I will let everyone know after RSVP's from responding here exactly where we will gather...That depends on the amount of people!
